Who is OCCA?

Occasional Child Care Australia (OCCA) is the peak body for Occasional child care services across Australia. OCCA promotes and supports its members by acting as a resource, disseminating information and advocating on matters pertaining to occasional care services across Australia.

What we do?

As a peak body we are a representative organisation that aims to provide information and dissemination services, membership support, resources, advocacy and representation, research and policy development for our members, in occasional child care community and other interested parties.

Advocate and lobby for occasional childcare services and for the children and families who use these services.

Provides professional development, resourcing and training for occasional care services staff.

Work to ensure children and families have access to quality, affordable education and care services.

OCCA Objectives

- To liaise with and seek opportunities to meet with government and non government organisations
- To establish and see out occasional child care networks and affiliations in Australia

How can you get involved?

If you would like to get involved in OCCA please contact us via occaust@gmail.com to find out more information.

State and Territory Advisory reference groups

OCCA aims to establish occasional child care reference groups within each state and territory and their interactions, OCCA will represent occasional child care on a national level, We aim to develop the reference groups through inviting OCCA members, occasional child care services and other members of the Occasional child care community.
